

Dream Flights, formerly known as Ageless Aviation, planned Operation September Freedom (OSF) this year, a national effort to honor as many World War II veterans as possible with free Dream Flights in restored, open-cockpit Stearman biplanes. During this 45-minute Dream Flight, our veterans experienced the freedom and exhilaration of soaring 1,000 feet in the air in an iconic Stearman biplane, the same aircraft used to train aviators during WWII.

Once the OSF announcement was made, the Activities Department went to work to make this special opportunity available to UVTO's WWII veterans. On September 27, four of these honorable Americans made the trip to Camarillo Airport to participate in the Dream Flight. Our flyers were **Chuck Ullman, Joe Vana, George Hanks, and Gene Smith**. Our Dream Flight pilot and crew chief were Mike and Lynn Sommars. Mike is a retired American Airlines captain with an incredible amount of aviation experience and Lynn is a nurse in the senior care industry. Together they are known as the Sommars Team, and they did an excellent job with our veterans.

Thank You and the airplane team for an absolutely thrilling and educational experience! – **Gene Smith**

September 15, 2021

Dear Joe,

Nearly 80 years ago, you joined 16 million fellow Americans to fight the war that changed the world. *Today, you are among the treasured few who remain.*

You are among the honorable, distinguished Americans who put self aside and country first. You bore witness to events that made us question humanity. To your family's open arms and relief, you returned home; you started a life, a job and a family.

The generations that follow can never fully understand the precarious times in which you lived, nor the weight of the burdens you carried upon your return home. They witnessed instead a generation of proud, humble men and women who remained steadfast in their love of country.

Whether you served stateside, on battlefields, in the air or on the sea, **you are a true American hero.** We are privileged to fly thousands of miles to honor you with a flight of a lifetime in the same aircraft used to train aviators during World War II.

**Your Boarding Pass is attached.** Please know you are **not** required to bring it with you the day of your event. We've also included a few details about the history of our mission.

Your pilot already knows a bit about you and he looks forward to some good, old-fashioned conversation. Our crew can't wait to meet you. The experience of a Dream Flight is pure magic. Without a doubt, your community, friends and family want to celebrate and honor you, so, please, invite them to attend. We'd love to meet them!

Press On,

Darryl Fisher  
Dream Flights Founder and Aviator

November 2021

## HEARTS OF GOLD

As we approach the end of another year, our thoughts turn to Thanksgiving and the many blessings we enjoy every day. We are thankful for the freedoms and abundance we enjoy in our country, the ability to practice the faith of our choosing, the opportunities to share moments with our families and friends, and the time to enjoy each of these things.

A very big part of the environment for these many blessings is the opportunity to live here at University Village. We live in a beautiful setting and are served by a staff that ensures our safety and security and provides for our diverse needs every day. We are thankful for the many employees that make this possible.

One important way for us to say thank you to the employees is through the "Hearts of Gold" Employee Appreciation Fund. All residents are encouraged to consider making a contribution to this program. The funds contributed by November 15 will be distributed to all hourly employees at University Village and OakView as a year-end gift. In the past these gifts have had a very meaningful impact on the employees, and we are hoping that will be true this year as well.

If you have not yet contributed to the fund and wish to do so, please turn in your check made out to the "Employee Appreciation Fund" no later than November 15.

If you would like to share in the joy of the gift giving, you are encouraged to attend the "Hearts of Gold" distribution party in Catalina Hall on December 8 beginning at 2:30 p.m. At this event the employees will receive their gift checks, and it is always very gratifying to see how much these gifts mean to each employee. It will be an opportunity for both the residents and employees to be thankful.

Best wishes to all for a very joyous holiday season!

- Alan Baker, EAF Treasurer
